

# First Grade Field Trip to Culinary Kids

Madisonville Elementary first grade students will be going to Culinary Kids in Mandeville on the scheduled dates listed below. Culinary Kids is a cooking school created just for kids, teaching children the joy of cooking in a kid-friendly and safe environment. Students will participate in preparing real recipes that they get to taste at the end of each class. Students will also learn safety, etiquette, reinforce math and science skills while having fun.

We will stop at Koop Drive Park for a school picnic lunch. Chaperones are limited to 2 per class and must provide their own transportation. A random drawing will be held on Friday, January 26, 2018. You will be notified if your name is selected.
